

Sam  
Fawn

## EXPERT PROFILE

<b>LOCATION</b>	Rainham, Kent, UK
<b>JOB TITLE</b>	Business Development Manager - Boss Door Controls
<b>AREA OF EXPERTISE</b>	Specification architectural hardware and door automation
<b>QUALIFICATIONS</b>	DipGAI , Bronze medal winner
<b>EXPERIENCE</b>	With 28 years of experience in the industry, Sam has worked closely with architectural ironmongers, end users, architects, contractors, joinery specialists, fire upgrade companies, and door set installers. Her career began with HEWI, followed by 8 years at an architectural ironmongery firm, and 10 years with the door closer manufacturer dormakaba before coming a member of the Allegion team.
<b>WHAT'S YOUR STORY?</b>	Becoming independent at a young age led Sam to a career in architectural ironmongery, an industry that has provided her with invaluable experience and countless opportunities. She enjoys meeting new people and nurturing relationships with customers and feels fortunate to continue growing and evolving professionally with Allegion.
<b>PERSONAL INTERESTS</b>	Sam enjoys leading an active lifestyle, including taking walks with her dog Luka, a Hungarian Vizsla. She strives to stay fit and healthy and has a passion for cooking and hosting gatherings with friends and family.
